ARMED AND TRAINED BY THE C.I.A., THEY BROUGHT A UNIQUE BRAND OF TERROR TO AMERICA'S STREETS

A true story of how 1970's cold war politics and international drug trafficking led to the rise and fall of one of the era's most violent gangs — Jamaica's notorious Shower Posse.

FROM JAMAICA

TO NEW YORK

TO THE WORLD

ABOUT

***Strykah: The Rise & Fall of the Shower Posse** is a vivid account of one of the most violent and prolific drug cartels of the 20th century. This brutal posse devastated both America and Jamaica, spraying the streets with a “shower of bullets” that cut down both their enemies – and the innocent. These Kingston-born street thugs began as Cold War pawns in a game of chess between American and Soviet interests in the Caribbean.*

***Strykah** tracks the gang’s explosive impact on the ’70s and early ’80s as they fueled the Disco Decade’s drug-crazed decadence.*

***Strykah** reveals the worldwide influence of Jamaican culture and Reggae music.*

***Strykah** journeys behind bars to solitary confinement to go deep into the minds of the Shower Posse’s psychopathic killers.*

Their stories will grip audiences and shine a light on what happens when American foreign policy goes tragically awry.

FINANCING, CO-PRODUCTION, & DISTRIBUTION OPPORTUNITIES

Channel Productions, helmed by the team that created NYC TV and led the New York - based network to a record 116 Emmy®nominations and 33 Emmy® awards over the past five years, is looking for additional financing and co-production partners to help complete production and distribute this engaging and unique documentary film.
